When the Love Is Pain

William Control

Give me the love, the lust
Give me the heartbreak, you never cross
Give me the pain, the gain
Give me the madness I gave you the same
I want the flesh, the test
I wanted sunlight in the dark
I want the skin, to begin
Oh, tearin through the walls of the forbidden loveIf you want to escape this world alive
You gotta get on your knees and pray tonight
Give me your sorrow
Hey, don't promise me a world we cannot blame
Hey, come dance with me forever
When the love is pain
When the love is pain
Oh, when the love is pain, ohGive me the chains, restraints
Give me the heartbreak I gave you the flame
I want the rush, the touch
Oh, tearin through the skin of your forbidden loveIf you want to escape this world alive
You gotta get on your knees and pray tonight
Give me your sorrow
Hey, don't promise me a world we cannot blame
Hey, come dance with me forever
Hey, don't promise me a world we cannot blame
Hey, come dance with me forever
When the love is pain
When the love is pain
Oh, when the love is pain, ohHey, don't promise me a world we cannot blame
Hey, come dance with me forever
Hey, don't promise me a world we cannot blame
Hey, come dance with me foreverWhen the love is pain
When the love is pain
Oh, when the love is pain, oh
