

# Mexican Caravan

## Butthole Surfers

Take me  
Mexican Caravan  
South of  
South of the Rio Grande  
Take me to that amigo town  
Where I can score some of that heroin brown  
Take me  
Mexican Caravan  
South of  
South of anywhere you can  
Push me in through the garbage can  
Teach this white boy to be Mexican  
Take me  
  
Mexican Caravan  
Let's score some of that heroin  
You know the way to make the white boy say  
Make me Mexican  
Take me  
Mexican Caravan  
Push me into the Rio Grande  
You know the way to make the white boy say  
Make me Mexican  
Take me  
Take me  
Take me  
Take me Mexican Caravan!
