

# My Uncle Used to Love Me But She Died

Roger Miller

My uncle used to love but she died  
A chicken ain't chicken 'til he's lickin good and fried  
Keep on the sunny side  
My uncle used to love me but she died Who'll bid me quarter, thirty cents for a ring of keys  
Three sixty-five for a dollar bill of groceries  
I'll have me a car of my own someday but 'til then I need me a ride  
My uncle used to love me but she died My uncle used to love but she died  
A chicken ain't chicken 'til he's lickin good and fried  
Keep on the sunny side  
My uncle used to love me but she died Hamburger cup of coffee lettuce and tomato  
Two times a dime to see a man kiss the alligator  
One more time around free on the ferris wheel ride  
My uncle used to love me but she died My uncle used to love but she died  
A chicken ain't chicken 'til he's lickin good and fried  
Keep on the sunny side  
My uncle used to love me but she died Apples are for eatin' and snakes are for hissinn'  
I've heard about a huggin' and I've heard about kissin'  
I read about it free in a fifty cent illustrated guide  
My uncle used to love me but she died My uncle used to love but she died  
A chicken ain't chicken 'til he's lickin good and fried  
Keep on the sunny side  
My uncle used to love me but she died Well, my uncle used to love but she died  
A chicken ain't chicken 'til he's lickin good and fried  
Keep on the sunny side  
My uncle used to love me but she died My uncle used to love me but she died
