I Know What It's Like

Miranda Lee Richards

Warning signs
All around you
Yellow lines
They divide you
These warning signsIn time
You may regret
(You might learn from)
Things you do
'Cause you have to
The nights that end in curfewWell I Know What It's Like
I've been here before
Please believe me
You know it breaks my heart
The way you are
So untrusting
You say
There's disaster
That follows
You like a tractor
And destroys everything you ownDon't you know
There is danger
In the isles
Of the junkyard
The memories will haunt youWell I Know What It's Like
I've been here before
Please believe me
You know it breaks my heart
The way you are
So untrusting
Warning signs
All around you
Yellow lines
They divide you
The red lights have stopped you...Well I Know What It's Like
I've been here before
Please believe me
You know it breaks my heart
The way you are
So untrustingI notice from afar

The way you are
So deceiving
I've been here before
But no one's life is yours
