## **Spanish Guitar**

## **Toni Braxton**

A smoky room, a small cafe?

They come to hear you play
And drink and dance the night away
I sit out in the crowd and close my eyes
Dream you're mine but you don't know

You don't even know that I am thereI wish that I was in your arms like that spanish guitar

And you would play me through the night till the dawn

I wish you'd hold me in your arms like that Spanish guitar

All night long, all night long, all night long

I'd be your song, I'd be your songSteal my heart with every note you play

I pray you'll look my way and hold me to your heart someday

I long to be the one that you caress with tenderness

And you don't know you don't even know that I existI wish that I was in your arms like that Spanish guitar

And you would play me through the night till the dawn

I wish you'd hold me in your arms like that Spanish guitar

All night long, all night long, all night long

I'd be your song, I'd be your songTe sientes inteligente

Cierras tus ojos

Y suenes que soy tuyo

Pero yo no se

Ni si quiera que estas aquiMe gustaria tenerte en mis brazos amorI sit out in the crowd and close my eyes Dream you're mine and you don't know

You don't even know that I existI wish that I was in your arms like that Spanish guitar

And you would play me through the night till the dawn

I wish you'd hold me in your arms like that Spanish guitar

All night long, all night long, all night long

I'd be your song, I'd be your song

(Seria tu cancion)I'll be your song, your song, your song

I'll be your song, yeah

I'll be your song, your song, your song

Play me all night long

I'll be your song, your song, your song

I'll be your song, yeahI'll be your song, your song, your song

I wanna be your song

I'll be your song, your song, your song

I'll be your song, yeah
