

Save U

Jeremy Greene

In the darkness
I will shine my light on you
When the tears fall
And the pain's too much for you
I will hold you and take away your pain
No more hiding,
No more reason to feel shame
I will save you,
ooh
I will save you
Yes I will save you
ooh
Yes I will save you
So don't give up
I'll fight for you
No don't give up
I'll fight for you
Till the end, of time
And the world gets gray
I can hear your voice
Like a whisper in this crowded place
When you are weak, I will be strong
I will fight for you
For many whom that come your way
Yes I will save you
ooh
I will save you
Yes I will save you
ooh
Yes I will save you
Yes I will save you
So don't give up
I'll fight for you
No don't give up
I'll fight for you I will save you, save you.
