

The Morning After

Lady & Bird

Oh, let's fly, let's fly
It's really hard to live for a long time
Oh, let's fly, let's fly
Oh, let's fly, let's fly
Oh, let's fly, let's fly
Oh, let's fly, let's fly
It's really hard to live for a long time
It's really hard to live for a long time
Oh, let's fly
