No One Will Save Us

I Killed the Prom Queen

I won't help you kill yourself
I won't . for safety
There's a .

This is the sound of the . save meAs I no one will save usJust what you believe in yourselfI can't drop. the skies How can we get me out

I can't drop...

No one will ever realizeEveryone is a waste of breath Everyone falls on this side of death

You're living in the shadows

Catch my doubt, believe in yourself

Stop living in the shadows

Free your mind,

And believe in yourselfOh, dear God

How can you help us get up
