

What I Like About You

[Lillix](#)

What I like about you
You hold me tight
Tell me I'm the only one
Wanna come over tonight? Keep on whispering in my ear
Tell me all the things that I wanna hear
'Coz it's true, that's what I like about you What I like about you
You really know how to dance
When you go up, down, jump around
Talk about true romance Keep on whispering in my ear
Tell me all the things that I wanna hear
'Coz it's true, that's what I like about you That's what I like about you
That's what I like about you What I like about you
You keep me warm at night
Never wanna let you go
Know you make me feel alright Keep on whispering in my ear
Tell me all the things that I wanna hear
'Coz it's true, that's what I like about you That's what I like about you
That's what I like about you, you, you That's what I like about you
That's what I like about you
That's what I like about you
That's what I like about you
That's what I like about That's what I like about you
