

# Wait for Me Virginia

## Hollis Brown

Tell my woman and my son  
Riker's Island ain't no fun  
I promise I'll be home soonthough I don't have much to give  
a convicted fugitive  
it's only a few more yearsSo wait  
Wait for me Virginia  
Wait for meOh wait  
Wait for me Virginia  
Wait for meTell my woman and my friends  
thought the tour would never end  
I promise I'll be home soonThough I dont know what weve done  
lot of good for what its spent  
it's left me guilty handsSo wait  
Wait for me Virginia  
Wait for meOh wait  
Wait for me Virginia  
Wait for me[solo]Tell my woman and my girls  
hope you live to see the world  
A soldier is dirty workI'll be in the Middle East  
just another couple weeks  
I've killed men, I've seen men killedSo wait  
Wait for me virginia  
Wait for meOh wait  
Wait for me virginia  
Wait for meWait for me  
Wait for me  
Wait for me  
Wait for meOh now yeah
