

# Hypnotic

## Craig David

    Hmm no, no, no, no, hey, yeah  
    No, oh hey, no, no, yeah girl  
        I stepped into the club  
    Clocked this fly girl shakin' her stuff now  
    Lookin' so hot I couldn't help but say yeah  
    Moves to make a brother wanna go there  
        I'm talking unbelievable  
    Never seen a girl quite like this before now  
        Trying to figure out what I gotta do  
    To get the chance to spend a moment with you  
    'Cause girl you're looking so damn fly tonight  
        And I know I'd like to take it there alright  
    What you've got's breaking all of the rules  
    So keep doing what you're doing, ooh baby  
        She's so hypnotic  
    The way she moves on the floor she's got it  
        The way she making me feel  
    I shouldn't want it but this girl she's so sexy  
        So hypnotic  
    Got every girl up in this club trying to top it  
    But that don't mean that this girl is gon' stop it  
        Oh no, she's so sexy  
    No time for drinks at the bar even though  
    She's got me so hot at the risk of losing it all  
    I don't want to be the one, the fool to let her go  
Think it's about time that I dropped my my cool and let her know  
    That she's sensational got me watchin' every move  
        And got me begging for more well  
        Holding back it nearly drove me crazy  
    That's when I slid up and said girl excuse me  
    Mmm, you're looking so damn fly tonight  
        Your body gives me butterflies inside  
        I'd really like to talk to you  
    So keep doin' what you're doing, oh baby  
        She's so hypnotic  
    The way she moves on the floor she's got it  
        The way she making me feel  
    I shouldn't want it but this girl she's so sexy  
        So hypnotic

Got every girl up in this club trying to top it  
But that don't mean that this girl is gon' stop it  
Oh no, she's so sexy  
Thought I'd seen everything in the world  
But that all changed for me tonight  
From the moment I looked in your eyes girl  
I know it's crazy but don't get me wrong  
I just gotta have you in my life girl  
Your vibe's just so hypnotic  
Oh baby, woo, woo, woo, woo, oh yeah  
So hypnotic  
The way she moves on the floor she's got it  
The way she making me feel  
I shouldn't want it but this girl she's so sexy  
So hypnotic  
Got every girl up in this club trying to top it  
But that don't mean that this girl is gon' stop it  
Oh no, she's so sexy  
So hypnotic  
The way she moves on the floor she's got it  
The way she making me feel  
I shouldn't want it but this girl she's so sexy  
So hypnotic  
Got every girl up in this club trying to top it  
But that don't mean that this girl is gon' stop it  
Oh no, she's so sexy  
Ooh no  
Oh oh baby  
She's so hypnotic  
Oh yeah yeah yeah yeah
