

# Diamonds (Shine Bright Like a Diamond)

## Young Fire

Shine bright like a diamond  
Shine bright like a diamond

Find light in the beautiful sea  
I choose to be happy  
You and I, you and I  
Weâ€™re like diamonds in the sky

Youâ€™re a shooting star I see  
A vision of ecstasy  
When you hold me, Iâ€™m alive  
Weâ€™re like diamonds in the sky

I knew that weâ€™d become one right away  
Oh, right away  
At first sight I felt the energy of sun rays  
I saw the life inside your eyes

So shine bright tonight, you and I  
Weâ€™re beautiful like diamonds in the sky  
Eye to eye, so alive  
Weâ€™re beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Weâ€™re beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Weâ€™re beautiful like diamonds in the sky

Palms rise to the universe  
As we moonshine and molly  
Feel the warmth, weâ€™ll never die  
Weâ€™re like diamonds in the sky

Youâ€™re a shooting star I see  
A vision of ecstasy

When you hold me, Iâ€™m alive  
Weâ€™re like diamonds in the sky

At first sight I felt the energy of sun rays  
I saw the life inside your eyes

So shine bright tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Weâ€™re beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond

So shine bright tonight, you and I  
We're beautiful like diamonds in the sky  
Eye to eye, so alive  
We're beautiful like diamonds in the sky

Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Oh, yeah  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond  
Shine bright like a diamond
