

# Here We Go Again

## Demi Lovato

I throw all of your stuff away  
Then I clear you out of my head  
I tear you out of my heart  
And ignore all your messages I tell everyone we are through  
'Cause I'm so much better without you  
But it's just another pretty lie  
'Cause I break down  
Every time you come around  
Oh oh! So how did you get here under my skin?  
I swore that I'd never let you back in  
Should've known better than trying to let you go  
'Cause here we go go go go again Hard as I try I know I can't quit  
Something about you is so addictive  
We're falling together, you'd think that by now I'd know  
'Cause here we go go go go again You never know what you want  
And you never say what you mean  
But I start to go insane  
Every time that you look at me You only hear half of what I say  
And you're always showing up too late  
And I know that I should say goodbye  
But it's no use  
Can't be with or without you!  
Oh oh So how did you get here under my skin?  
I swore that I'd never let you back in  
Should've known better than trying to let you go  
'Cause here we go go go go go again Hard as I try I know I can't quit  
Something about you is so addictive  
We're falling together, you'd think that by now I'd know  
'Cause here we go go go go again, 'gain And again  
(And again)  
And again  
(And again)  
And again! I threw all of your stuff away  
And I cleared you out of my head  
And I tore you out of my heart  
Oh oh, oh oh So how did you get here under my skin?  
I swore that I'd never let you back in  
Should've known better than trying to let you go  
'Cause here we go go go go again Hard as I try I know I can't quit

Something about you is so addictive  
We're falling together, you'd think that by now I'd know  
'Cause here we go go go Here we go again  
Here we go again!  
Should've known better than trying to let you go  
'Cause here we go go go go go again Again  
And again  
And again  
And again
