

Without You

James Wolpert

No, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes your sorrow shows
Yes, it showsNo, I can't forget tomorrow
When I think of all my sorrows
When I had you there but then I let you go
And now it's only fair that I should let you know
What you should knowI can't live if living is without you
I can't give, I can't give any more
Can't live if living is without you
I can't give, I can't give any moreNo, I can't forget this evening
Or your face as you were leaving
But I guess that's just the way the story goes
You always smile but in your eyes your sorrow shows
Yes, it showsCan't live if living is without you
I can't give, I can't give anymore
I can't live if living is without you
Can't give, I can't give anymore
(Living is without you)
