

# Jesus Is the Best Thing

**Martha Munizzi**

Now Jesus is the best thang  
That makes me wanna sing  
Wonda why ya name makes my praises ring...RING!!

1st round 2nd round he knock the devil out  
He made the price for you and me that's what I'm talk'n bout  
It makes me wanna holla  
It makes me wanna shout  
Listen let me tell you what my lord's about

He saved me he raised me  
Jesus never left me  
Even when I was in sin he still kept me

I think of his goodness and how it's good for me  
I shout hallelujah I got the victory

Martha Munizzi  
Martha Munizzi  
Martha, Martha, Martha... whoa!

Martha Munizzi she keeps the devil busy  
Sing'n out praise with the songs she sings

Declare it to the enemy  
Declare it to the enemy  
Declare it to the enemy, that Jesus is the best thing! ... whoa!
