

There Stands The Glass

Webb Pierce

There stands the glass that will ease all my pain
That will settle my brain it's my first one today
There stands the glass that will hide all my tears

That will drown all my fear, brother I'm on my wayI'm wondering where you are tonight
I'm wondering if you are all right

I wonder if you think of me in my miseryThere stands the glass fill it up to the brim
Til my troubles grow dim, it's my first one todayI'm wondering where you are tonight
I'm wondering if you are all right
I wonder if you think of me in my misery
