

Just Got Back From Baby's

ZZ Top

Now I just got back from baby's,
We been rolling all night long.
I said I just got back from baby's,
We been rolling all night long.
She come on likes and loves me,
But I feel like something wrong. Now, sometimes I go see baby,
And sometimes she come see me.
I said, sometimes I go see baby,
And sometimes baby come see me.
I got a funny, funny feeling
I'm not the only man she sees. Now, I just got back from baby's,
Big white house on the hill.
I said, I just got back from baby's,
Big white house on the hill.
If her loving don't get me,
I know her husband will.
