

Lost Year

MUTEMATH

Hold on to the way
We started
How it all
Should have gone
Somewhere
Love was disregarded
And it all
Came undone
Undone

Cause nothin's a breeze
We suffer
We bleed
For two hearts to beat
As one
We learn as we go
At least now we know
Somethin' we can't
Become
Become

If a talk could
Really solve this
What are we
Fighting for?
Words hurt more
When they are honest
Don't say anymore
Anymore

Cause nothin's a breeze
We suffer
We bleed
For two hearts to beat
As one
We learn as we go
At least now we know
Somethin' we can't
Become

Become

All for a year
We were strong and courageous
But we lost it somehow
Oh
If there was somethin'
That could've saved us
We'd have found it by now

Cause nothin's a breeze
We suffer
We bleed
For two hearts to beat
As one
We learn as we go
At least now we know
Somethin' we can't
Become
Become

There's no luck
In our lives
No livin' under
Starlight
And no sun in your eyes
To keep us from runnin' round in circles
And we were
Whoa (oh oh oh oh oh)
Whoa (oh oh oh oh oh)
Whoa (oh oh oh oh oh oh)
Whoa (oh oh oh oh oh)
Whoa (oh oh oh oh oh)
Whoa (oh oh oh oh oh oh)

Hold on to the way
We started
How it all
Should have gone
