Germans In Mexico

Electric Six

Government Man
Important Man
Walking around at night
He's got his whiskey
He's got his briefcase
He's gonna be alright
Now when you hear those sirens
Don't you think it's only gone by a drill
'Cos when El Presidente pulls the trigger
He always shoots to killThere are Germans in Mexico

Falling in love with your daughterThere's only so many rabbits
That you can pull out of your hat
There's only so much time now

They come with the light and take our women for sale in BerlinThere are Germans in Mexico
