

# Tragedy of the Faithful

## Dismember

All these years, I've stayed faithful, through bitterness I've bled. Sacrifice betrayal and deceit, has rid me of the weak. Tragedy of the faithful, dying for a lost cause, tragedy of the faithful, loyalty unto death. At the mercy of the vengeful, misled and betrayed, through darkness and misery, I've walked the bloodstained path. Tragedy of the faithful, so many has fallen,  
Tragedy of the faithful, loyalty unto death
