Come Back

Brandi Sue Ryland

Come back, I wanna go back
I wanna be there when I wasnâ€™t
Come Back, I wanna go back
I wanna be there when I wasnâ€™t

Catch the leaves before they fall
Bring you flowers for no reason at all

Come backâ€¦or take me with you
Come backâ€¦or take me with you
Come backâ€¦or take me with you
Come backâ€¦or take me with you
Come backâ€¦or take me with you
Come backâ€¦or take me with you
