No More Lies

Disbelief

on my way, stand and fall
it's like a black deep hole
in which i see nowtake a look at me
i'm the lying one
the one who asks, why me?
i'm lying again, again...i wake up
wake up from
nightmare, these lies i'm living
one time weak, one time strong
tortures, vitality i'm giving awayonce it comes, once it goes
at any time it's a cause
why can't i change it?i look forwards and see
i will stop it, now!
the only chance for me just to
survive, to survivei wake up
wake up from
nightmare, these lies i'm living
one time weak, one time strong
tortures, vitality i'm givinglies - they will talk to me
lies - are my destiny
lies - always turn around
lies - no more lies, no moreNO MORE
from that day on i was born
lies dictated, lies going on and on
and on and on...i wake up
wake up from
nightmare, these lies i'm living
one time weak, one time strong
tortures, vitality i'm givinglies - they will talk to me
lies - are my destiny
lies - always turn around
lies - no more lies, no moreNO MORE no more lies, no more
NO MORE no more lies, no more
NO MORENO MORE, NO MORE
no more lies, no more
