

I Want To Know What Love Is

Tina Arena

Tina Arena

In Deep

I Want To Know What Love Is Gotta take a little time

A little time to think things over

Better read between the lines

In case I need it when I'm older

Ooh yeah

This mountain I must climb

Is like the world upon my shoulders

Through the clouds I see love shine

It keeps me warm as life grows colder

In my life

There's been heartache and pain

I don't know if I can face it again

Can't stop now

I've traveled so far

To change this lonely life

I want to know what love is

I want you to show me

I want to feel what love is

I know you can show me

Yeah

Gonna take a little time

A little time to look around me

Got nowhere left to hide

Looks like love has finally found me

In my life

There's been heartache and pain

I don't know if I can face it again

Can't stop now

I've travelled so far

To change this lonely life

I want to know what love is

I want you to show me

I feel what love is

I know you can show me

Yeah

Lord help me to be strong

On this road I travel on

When I'm lost and lonely
Find me
My journey's just begun
And I'm not the only one
Cause I want to know
I want to know
Yes I've found out
I want you to show me
I want to feel what love is
Oh yeah
I know you can show me
I want to know what love is
Yes I've found out
I want you to show me
I want to feel what love is
You can't hide
I know you can show me
Yeah, Nah yeah
Cause I want to know
want to know
Tell me what love is
Do you know what it is
Tell me what love is
Show me what love is
Show me what love is
