

Who I Am

Doug Crawford

CHORUS THIS LIFE IS MY STORY

GOTTA TELL EM DONT IGNORE

IVE DROVE THESE STREETS & WALKED THIS ROAD A THOUSAND TIMES

AND AS THE DAYS GO BYE, TRY TO BE WHO I AM BE BE WHO I AM FIRST VERSE I'm not one of

these dudes u see on tv

All I can do is be me

There was time when I used to be g

Now I only wanna live my life happily 4 yeh

Without any drama

Talking lots of fun & marijuana 6

If it's not positive I dont wanna hear about it

Cut u off SO quick that's going to everybody 8

Time came when I had to start over

Quickly getting tires of looking over my shoulder 10

Though it' got easier as I get older

Soon they'll be time where I tell u I told ya

I predicted this would happen

Sacrificed 10 years had to make rapping

Come to conclusion it was meant to be

This is who I am my century CHORUS

THIS LIFE IS MY STORY

GOTTA TELL EM DONT IGNORE

IVE DROVE THESE STREETS & WALKED THIS ROAD A THOUSAND TIMES

AND AS THE DAYS GO BYE, TRY TO BE WHO I AM BE BE WHO I AM SECOND VERSE I'm living the

life that was givin to me still spend money frivilesly

Like tomorrow won't come

Make sure they Remember when I'm done

Put my heart & soul In this

Mix In a little stress so u know its sick

Get it out there hope they notice it

One last shot till I quit & I'm over i

Pain I've been holding it in

Done it so many times/ here we go again

This is the realest shit I've ever wrote

Give me a sec while i roll another smoke

I remember times when I was broke

All I really had wad a hope 14

Record labels telling me nope

Deep down Man I knew I was dope CHORUS

THIS LIFE IS MY STORY

Till I'm deceased resting peacefully
Memories are all that al have
Stick to myself my times full spending nights In the lab
