

# Savory

## Deftones

Hey angel, consider your position  
Framed to be consumed  
Savory, savoring your sympathyHey angel, fly over and bless me  
See you feign surprise  
Yeah, I'm all eyes and you're all you need to beHey angel , whatever position  
We consider fit  
To put you in, you'll protest your complicityEasy now  
One hand will wash the other  
One hand will wash the otherHey angel, fly over and bless me  
See you feign surprise  
And I'm all eyes and where are we?  
He tell me, he tell me, he tell meEasy now  
One hand will wash the other  
One hand will wash the other
