

# This Is Living (feat. Lecrae)

## Hillsong Young & Free

Waking up knowing there's a reason  
All my dreams come alive  
Life is for living with You  
I've made my decision

You lift me up, fill my eyes with wonder  
Forever young in Your love  
This freedom's untainted with You  
No moment is wasted

See the sun now bursting through the clouds  
Black and white turn to colour all around  
All is new, in the Saviour I am found  
This is living now  
This is living now

You take me higher than I've been before  
It's Your perfect love that sees me soar  
God Your freedom is an open door  
You are everything I want and more

You lead the way, God You're right beside me  
In Your love I'm complete  
There's nothing like living with You  
This life You created I choose

Maybe I ain't really know what living is  
Is it love if it was am I living it?  
Do I live in it?  
So astounding

Love is an ocean you can drown me  
The sweet embrace the lovely taste  
I taste and see I'm under Grace  
The place to be it means I don't ever need an umbrella  
I'm cool in the cold and the hot weather  
Whether or never I ever understand  
I'm a man in the hands of great plans  
I stand with faith in a life I never known or touched  
It's still outside my clutch but  
I'm like what's to dream of and what's to hope in

What's to die for and live to no end  
This is living  
The life I've been given's a gift  
If Iâ€™m gonna live it Iâ€™m gonna live it to death!  
So what's to dream of and what's to hope in  
What's to die for and live to no end  
This is living  
The life I've been given's a gift  
If Iâ€™m gonna live it Iâ€™m gonna live it to death!
