No More Words

Anna Calvi

Hold me down and hold me close tonight
Feel you warm, I feel you by my sideOh, my love
Oh, my love
Oh, my loveHold me down and give me all your power
Hold me close in every single hourOh, my love
Oh, my love
Oh, my loveOh, my love
Oh, my love
Oh, my loveHold me down and give me all your power
Hold me close in every single hourOh, my love
Oh, my love
Oh, my loveOh, my love
Oh, my love
Oh, my love
