

I Wished on the Moon (1957)

Billie Holiday

I wished on the moon
For something I never knew
Wished on the moon
For more than I ever knew
A sweeter rose, a softer sky
On April days that would not dance by I begged on the stars
To throw me a beam or two
Wished on the stars
And asked for a dream or two
I looked for every loveliness
It all came true
I wished on the moon for you
