

Lord Is It Mine

Supertramp

I know that there's a reason why I need to be alone
You shown me there's a silent place that I can call my own
Is it mine, oh Lord, is it mine? You know I get so weary from the battles in this life
And as many times it seems that you're the only hope in sight
Is it mine, oh Lord, is it mine? When everything's dark
And nothing seems right
There's nothing to win
And there's no need to fight I never cease to wonder at the cruelty of this land
But it seems a time of sadness is a time to understand
Is it mine, oh Lord, is it mine? When everything's dark
And nothing seems right
You don't have to win
And there's no need to fight If only I could find a way to feel your sweetness through the day
The love that shines around me could be mine So give us an answer, won't you
We know what we have to do
There must be a thousand voices
Trying to get through
