Show Me I'm Alive

Head East

Girl you know you're in my soul
You keep me awake all night
Well I don't know if I'm just comin' or gone
And how to make it rightWell I don't know what you're all about
I ain't had time yet to figure it out
All I know is how good you feel to me
Oh girl can't you see and...Show me I'm alive
Please take me anywhere you've known
You can see it in my eyes sometimes
I can't believe alone
(Repeat again after a break)I've seen so many places and made-up faces
That I never want to see again
But I know that I'll remember your smilin' face
When I get back, oh when I get back again
Won't you please...Show me I'm alive
Please take me anywhere you've known
You can see in my eyes sometimes
I can't believe alone
Won't you show me I'm alive
Please take me anywhere, anywhere you've known
You can see it in my eyes sometimes
I can't believe... aahhShow me, show me, show me
Whaaa show me yeahayeahayeah
Show me I'm alive
You can see it in my eyes sometimes
I can't lie
You can see it in my eyes
Show me I'm alive
You can see it in my eyes
Show me I'm alive
You can see it in my eyesCome on, come on, come on
Come on, come on, come on
