

White Wedding

Murderdolls

Hey little sister what have you done?
Hey little sister who's the only one?
Hey little sister who's your Superman?
Hey little sister who's the one you want?
Hey little sister shot gun! It's a nice day to start again
It's a nice day for a White Wedding
It's a nice day to start again Hey little sister what have you done
Hey little sister who's the only one You see, I've been away for so long (So long)
I've been away for so long (So long)
I've let you go for so long Yeah, it's a nice day to start again
Come on yeah It's a nice day for a White Wedding
It's a nice day to start again! Take me back home yeah! There ain't nothing fair in this world And there ain't
nothing pure in this world
If there's something left in this world Start again
It's a nice day for a White Wedding
It's a nice day to start again
it's a nice day for a white wedding
