Need Someone

Dyalla Swain

Woah love me when
Woah love me when
Woah love me when
Woah love me when
Love me, oh I need someone to love me
Oh I need someone to love me (me)
Oh I need someone to love me (me)
Oh I need someone to-
Woah love me when
Woah love me when
Woah love me when
Woah love me-
Love me when Iâ€™m old, just love me
Love me when lonely, just love me
Love me when lonely, just love me
Woah love me when
Woah love me when
Woah love me when
Woah love me when
