

# Misty Eyes

## The Maybees

I was missing my little Miss Misty Eyes  
She made my life complete  
I'd been waiting on true love's sweet surprise  
And it tasted so sweet  
Oh it tasted so sweet I could hear the sound of the love bell  
Told me all it could tell  
And the sight of the blue moon rising  
Told me all was well  
Told me all was well I was just drifting as a wind blown wave  
Like a stricken ship I thought I'd never be saved  
So far below me there seemed so much more  
Yet a man has to know what he's looking for Something unknown kept my life turning around  
But I couldn't get near to putting my feet on the ground  
With all that I had any man would be glad  
But my everything was nothing, so what made me sad? I was missing my little Miss Misty Eyes  
She made my life complete  
I was waiting on true love's sweet surprise  
And it tasted so sweet  
It tasted so sweet I could hear the sound of the love bell  
Told me all it could tell  
And the sight of the blue moon rising  
Told me all was well  
Told me all was well Farewell to that same lonely road  
I've seen the last of that heavy load  
No more blues about paying dues  
It's time for reaping all the seeds I sowed I was missing my little Miss Misty Eyes  
She made my life complete  
I was waiting on true love's sweet surprise  
And it tasted so sweet  
Oh it tasted so sweet I could hear the sound of the love bell  
Told me all it could tell  
And the sight of the blue moon rising  
Told me all was well  
Told me all was well  
Told me all was well  
Told me all was well
