Quantum Mechanic

Thomas Dolby

Quantum Mechanicthe matrix mathematicmy Honda is erraticI ll show you the schematic
Quantum Mechanicit s costing me a packet
I know that you can hack it
I wanna see you jack it - jack it - c mon now..move move to the groove - just bust a moveget with the boogie andsound waves in the rave - my body sways -my brain is openingdeejay bomb the bass
my thoughts erase my body s booming andfeet feet feel the beatmake my own heatnow I m completemove your body to the beat boyslide your body next to meand feel the rhythmdance with me again.Quantum Mechanic the matrix mathematicmy Honda is erratic
I ll show you the schematicQuantum Mechanicit s costing me a packetI wanna see you jack itI know that you can hack it
