One On One

Daryl Hall & John Oates

I'm tired of playing on the team
Ooooh, it seems I don't get time out anymore
What a change if we set the pace face to face
No one even trying to score
And oh, oh, I can feel the magic of your touch
Um-hmm and when you move in close
A little bit means so much
Oooh yeah, you've got to understand, baby
Time out is what I'm here for

Woah oah, one on one
I wanna play that game tonight
One on one I know
I wanna play that one on one
I wanna play that game tonight
One on one so slow
Oooh oooh

Oooh, you can't tell me you don't miss me girl
No, I think I might know you too well, woah oah
I (wonder what) you'd say if you knew
That I was coming tonight
(Want to) I want you, can't you tell?

Oooh, woah oah, one on one
I wanna play that game tonight
One on one I know
I wanna play that one on one
I wanna play that game tonight
One on one so slow
Oooh oooh

That's all you need to know now

'Cause if it's really right
There's nothing else

One on one
I wanna play that game tonight (one one)
Oooh oooh mmm

One on one
I wanna play that game tonight
(One on one I wanna play that game tonight)
Oooh oooh
One on one
I wanna play that game
(One on one I wanna play that game tonight)
Oooh oooh
One on one I wanna play that game
(One) on one (on one) on one, girl
(On one) oooooh, there's nothing else
(On one) but you and me (on one)
I want no one else (on one)
I don't want no one else (on one)

Oh, baby, I'm tired of playing (on one)
I'm tired of playing (on one)
I don't want to play those games no more, no more

I want to play with you girl
I want to play with you girl
Just you and me, you and me, you and me
