

Let's face the music and dance

Natalie Cole

There may be trouble ahead
But while there's moonlight and music
And love and romance
Let's face the music and dance Before the fiddlers have fled
Before they ask us to pay the bill
And while we still have the chance
Let's face the music and dance Soon, we'll be without the moon
Humming a different tune and then There may be teardrops to shed
So, while there's moonlight and music
And love and romance
Let's face the music and dance, dance
Let's face the music and dance
