

Unconditionally (New Wave Remix)

Katy Perry

Oh no, did I get too close oh?
Oh, did I almost see what's really on the inside?
 All your insecurities
 All the dirty laundry
Never made me blink one timeUnconditional, unconditionally
 I will love you unconditionally
 There is no fear now
 Let go and just be free
 I will love you unconditionallyCome just as you are to me
 Don't need apologies
 Know that you are all worthy
 I'll take your bad days with your good
 Walk through this storm I would
I'd do it all because I love you, I love youUnconditional, unconditionally
 I will love you unconditionally
 There is no fear now
 Let go and just be free
 I will love you unconditionallySo open up your heart and just let it begin
 Open up your heart, and just let it begin
 Open up your heart, and just let it begin
 Open up your heart
 Acceptance is the key to be
 To be truly free
 Will you do the same for me?Unconditional, unconditionally
 I will love you unconditionally
 And there is no fear now
 Let go and just be free
 'Cause I will love you unconditionally (oh yeah)I will love you
 I will love you
 I will love you unconditionally
