My Demons (Synchronice Remix)

Starset

Mayday! Mayday!
The ship is slowly sinking
They think I'm crazy but they don't know the feeling
They're all around me,
Circling like vultures
They wanna break me and wash away my colors
Wash away my colorsTake me high and I'll sing
Oh you make everything okay (okay, okay)
We are one in the same
Oh you take all of the pain away (away, away)
Save me if I become
My demonsI cannot stop this sickness taking over
It takes control and drags me into nowhere
I need your help, I can't fight this forever
I know you're watching,
I can feel you out thereTake me high and I'll sing
Oh you make everything okay (okay, okay)
We are one in the same
Oh you take all of the pain away (away, away)
Save me if I become
My demonsTake me over the walls below
Fly forever
Don't let me go
I need a savior to heal my pain
When I become my worst enemy
The enemyTake me high and I'll sing
Oh you make everything okay (okay, okay)
We are one in the same
Oh you take all of the pain away (away, away)
Save me if I become
My demonsTake me high and I'll sing
Oh you make everything okay (okay, okay)
We are one in the same
Oh you take all of the pain away (away, away)
Save me if I become
My demons
