

I'm Gonna See Jesus

B.J. Thomas

I've never seen the Eiffel Tower.
I've never seen the streets of Rome.
I've never seen the world's seven wonders,
But I'll see the greatest wonder that day when I go home.

Chorus:

I'm gonna see Jesus, I'm gonna see Jesus.
I'll see him smile open His arms and walk my way
I'm gonna see Jesus, I'm gonna see Jesus
I'm gonna look into His eyes someday I may not see that much of riches
I may not see that much of fame
I may not see that much of wordly treasures
And if I never do, Ii really haven't missed a thing, cause
Repeat chorus twice
