Behind the Wire

Earth Crisis

Imprisoned behind the wire
The doomed await their end
Tangled corpses fill the pits
Starved, shot or poisonedTo the horrors the world turns away
From the suffering in apathy
A blind eye to the victim's pain
That they choose not to seeUnless there's money to be made
Unless territory is gainedImprisoned behind the wire
The doomed awaitImprisoned behind the wire
The doomed await their end
Tangled corpses fill the pits
Starved, shot or poisonedTo the horrors the world turns away
From the suffering in apathy
A blind eye to the victim's pain
That they choose not to seeUnless there's money to be made
Unless territory is gainedAnnihilation reigns
Annihilation reignsUnless there's money to be made
Unless territory is gained
Unless there's money to be made
Unless territory is gained
