

Alive (French Version)

Kate Ryan

It's the way that you make me feel... I'm so alive
It's the way that you make me feel... I'm so alive I know that you wanna undress my emotions
Revealing things that are unshown Ohoh
I'm lost in perfection
Wrapped in adoration
Empowering all I ever know... Ohoh Cause love is free
And it's beautiful
Run for me
Make life colorful It's the way that you make me feel
I'm so alive
It's the way that you make me feel
Alive Switch me on desire
And touch my body
Awaken all my senses
And energize me
Ooh la la la... Alive
Ooh la la la Deep I'm in your circle
I can't run from your call
Show me that you feel it to ohoh Cause love is free
And it's beautiful
Run for me
Make life colorful It's the way that you make me feel
I'm so alive
It's the way you make me feel
Alive Switch me on desire
And touch my body
Awaken all my senses
And energize me
Ooh la la la... Alive
Ooh la la la Switch me on desire
And touch my body
Awaken all my senses
And energize me Switch me on desire
And touch my body
Awaken all my senses
And energize me
(I'm so alive) It's the way that you make me feel
I'm so alive
It's the way that you make me feel

Alive Switch me on desire
And touch my body
Awaken all my senses
And energize me
Ooh la la la... Alive
Ooh la la la Switch me on desire
And touch my body
Awaken all my senses
And energize me
(I'm so alive) Switch me on desire
And touch my body
Awaken all my senses
And energize me
(I'm so alive)
