Under These Conditions

Jesse Spillane

I know we're both married
Yet, we're both alone
He's always working
And she's never homeIf we got together
It'd be so good
But under these conditions
I don't think we should'Cause we both have children
They need us around
Although we're both willing
We can't let 'em downAs much as we want to
You know where we stand
Under these conditions
I don't think we canWe love each other
But it's only in dreams
But we have to get used to the fact
It's just one of those thingsWe'll never know how
This love could feel
And under these conditions
We never willUnder these conditions
We never will
