Here

Kari Jobe

Come, and rest here
Come, and lay your burdens down
Come, and rest here
There is refuge for you now
You'll find his peace
You'll know you're not alone anymore
He is here
You'll find his healing
You're heart isn't shattered anymore
He is Here
Breathe in
Breathe out
You will, You will find him here
Come, and rest here
Come, and lay your burdens down
Come, and rest here
There is refuge for you now
You'll find his peace
You'll know you're not alone anymore

He is here
You'll find his healing
You're heart isn't shattered anymore
He is Here
Breathe in
Breathe out
You will, You will find here
I will rest in you
I will rest in you
I will rest in you
(I will)
I will rest in you
Breathe in
Breathe out
You will, You will find here
Breathe in
Breathe out
You will, You will find here
(You will find him, You will find him..... Here)
