Texas

Lil' B

In here, Based gods in here
Fucking bitches in here, niggas no i dont care
asking questions about work, bitch probably getting scured
Boy probably getting nur, nigga come with that fur
Based drumming down your ear
Glock 40 with the squirt
Bitch i anit never had fur, living life i dont care
making moves over here, send your bitch over here
like it...i dont care, Fuck her like i got nerve
smoking on that work, wiz kailfa purp
Real thugs over here, locked up i dont care
bitch mob over here, bitch its just like work
beez having that funk, imma tell you whats the word
switched up i have nerve, lil T just the word
got what you deserve, niggas hating around here
catch a case around here, heavy funk around here
boxes shifting around here, bitch mob around there
Big belts x8 (MMMMMM Damn)
Texas x8
x2
