Fight for This Love

Cheryl Cole

Too much of anything can make you sick
Even the good can be a curse, curse
Makes it hard to know which road to go down
Knowing too much can get you hurtIs it better, is it worse? Are we sittin' in reverse?
It's just like were going backwards
I know where I want this to go, drivin' fast, but let's go slow
What I don't wanna do is crash, noJust know that you're not in this thing alone
There's always a place in me that you can call home
Whenever you feel like we're growing apart
Let's just go back, back, back, back, back, to the start, ohAnything that's worth havin'
Sure enough worth fighting for
Quittin's out of the question
When it gets tough, gotta fight some more, ohWe gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
If it's worth having, it's worth fightin' for, ohNow everyday ain't gonna be no picnic
Love ain't no walk in the park
All you can do is make the best of it now
Can't be afraid of the darkJust know that you're not in this thing alone
There's always a place in me that you can call home
Whenever you feel like we're growing apart
Let's just go back back, back back, back to the start, ohAnything that's worth havin'
Sure enough worth fighting for
Quittin's out of the question
When it gets tough, gotta fight some moreWe gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
If its worth having, it's worth fightin for, ohI dont know where were headin'
I'm willin' and ready to go
We've been drivin' so fast
We just need to slow down
And just roll, ohAnything thats worth havin'
Sure enough worth fighting for
Quittin's out of the question
When it gets tough, gotta fight some moreWe gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
(No matter how hard it's gettin')
We gotta fight, fight, fight, fight, fight for this love
If its worth having, it's worth fightin for, ohWe gotta fight, fight, fight, fight, fight for this love

We gotta fight, fight, fight, fight, fight for this love
We gotta fight, fight, fight, fight, fight for this love
If its worth having, it's worth fightin for, oh
