

# If I Had A Gun...

Noel Gallagher

If I had a gun  
I'd shoot a hole into the sun  
And love would burn this city down for you  
If I had the time  
I'd stop the world and make you mine  
And every day would stay the same with you Give you back a dream  
Show you now what might have been  
For the tears you cried will fade away  
I'll be by your side  
When they come and say goodbye  
We will live to fight another day Excuse me if I spoke too soon  
My eyes have always followed you around the room  
'Cause you're the only god that I will ever need  
I'm holding on  
And waiting for the moment to find me Hope I didn't speak too soon  
My eyes have always followed you around the room  
'Cause you're the only god that I will ever need  
I'm holding on  
And waiting for the moment for my heart to be unbroken by the sea Let me fly you to the moon  
My eyes have always followed you around the room  
'Cause you're the only god that I will ever need  
I'm holding on  
And waiting for the moment to find me If I had a gun  
I'd shoot a hole into the sun  
And love would burn this city down for you
