Once More

The Wilders

Once more
Forever 'til the end of time
Forever found
Think what you may but honey I ain't blindLost in the shuffle like a child all alone
Countin' my days for the end is my home
Once more
Forever 'til the end of timeOnce more
I kill myself again
Once more
I'm a slave 'til the goddamn endLost in the shuffle like a child all alone
Countin' my days for the end is my home
Once more
Forever 'til the end of time
