

Put It In A Love Song (feat. Beyoncé Knowles)

Alicia Keys

Ay yo B, What up A?
What we want? Want them to say, whoo! Say you love me, say you love me
Then put it in a love song (put it in a love song)
Say you need me, say you need me
Then write it in a letter form (oh oh oh)
Say you want me, say you want me
Then text me on the cell phone (text me on my cell phone)
Say you love me, say you love me
Then put me in a love song (oh) If you say you want me, yeah,
You say you want me
If you do the right thing, we can be together
I'm not easy, yeah, you gotta work for it
I'm the real thing, yeah, you gotta please me
All that talk, and boy you better walk it
All that frontin' and that's not how you do it
If you really need me like you say you need me
Baby better show me, baby better come and say Say you love me, say you love me
Then put it in a love song (put it in a love song)
Say you need me, say you need me
Then write it in a letter for me (oh oh oh)
Say you want me, say you want me
Then text me on the cell phone (text me on my cell phone)
Say you love me, say you love me
Then put me in a love song (oh) What you gonna do when somebody convinces me
To believe that he can do it better
Send me gifts and showin' me the romance
All this this and that, can you do better?
All I'm saying is love is what I'm looking for
If you wanna keep me, baby gotta love me more
If you really want me, like you say you want me
If you really need me, baby better come and say Say you love me, say you love me
Then put it in a love song (put it in a love song)
Say you need me, say you need me
Then write it in a letter form (oh oh oh)
Say you want me, say you want me
Then text me on the cell phone (text me on my cell phone)
Say you love me, say you love me
Then put me in a love song (oh) Gotta work it baby, work it out
If you want me baby, work it out

If you need me baby, work it out
Gotta work it out, gotta work it out If you love me baby, work it out
Gotta work it baby, work it out
If you want me baby, work it out
Gotta work it out, gotta work it out Sing, if you want me love and all my time
Part of my plans and part of my mind
All of the things that you wanna do
But make sure your love for me's true to you
If you show me baby believe
So many possibilities
Oh we can look to infinity
If you wanna be with me, oh Say you love me, say you love me
Then put it in a love song (put it in a love song)
Say you need me, say you need me
Then write it in a letter form (oh oh oh)
Say you want me, say you want me
Then text me on the cell phone (text me on my cell phone)
Say you love me, say you love me
Then put me in a love song (oh) Gotta work it baby, work it out
If you want me baby, work it out
If you need me baby, work it out
Gotta work it out, gotta work it out If you love me baby, work it out
Gotta work it baby, work it out
If you want me baby, work it out
Gotta work it out, gotta work it out, sing!
