Hold Me, Thrill Me, Kiss Me

Gloria Estefan

Hold me, hold me Never let me go until you've told me, told me What I want to know and then just hold me, hold me Make me tell you, I'm in love with youThrill me, thrill me Walk me down the lane where shadows will be, will be Hiding lovers just the same as we'll be, we'll be When you make me tell you, I love you They told me be sensible with your new love Don't be fooled thinking this is the last you'll find But they never stood in the dark with you, love When you take me in your arms and drive me slowly out of my mindKiss me, kiss me When you do I know that you will miss me, miss me If we ever say, "Adieu" so kiss me, kiss me Make me tell you, I'm in love with youKiss me, kiss me When you do I know that you will miss me, miss me If we ever say, "Adieu" so kiss me, kiss me Make me tell you, I'm in love with youNo, no, never, no, no never, never, never Never, never let me go, never let me go Never, never, never let me goNo, no, never, no, no, never Kiss me, baby, never, never Never let me goNever let me go, never, never, never let me go No, no, never, no, no, never Thrill me, kiss me baby
