In Dreams

Bernie Paul

Standing all alone in the dark
And there's no one round
Who could break my heart.
In those lonely nights I saw you
But still there is no one round
To make this dream come true.I can't feel you
When I touch you.
I can't see you
When I love you.
I can't hold you
When I'm with youBut I feel that you're near.
In dreams
I see your face.
I miss
Your warm embraceYour tender lovin' care
That we used to shareWhere did you goI need you so.
In dreams
You're in my arms.
I miss
Your warmin' charmsThe magic in your eyesThe starlight in the skies
Will shine
Only for me.
Can't you see the tears in my eyes?
When I tried to touch you
BabeI couldn't hold you tight.
Put your hand in mine
And come true'Cause the love we shared tonight
I want to live with you.
I can't feel you
. . .
In dreams
I see your face
. . .In dreams
You're in my arms
. . .In dreams
I see your face
. . .
